

Highland High School Robotics Team T-Shirts are coming soon!

We have recommended that each student purchase (2) t-shirts and (1) polo shirt.

We have placed orders on that requirement. We had contacted each student prior to do so to ask if they felt that was okay, as well as sent this in an email.

These numbers are based on our three day competitions. This way each student will have a clean shirt for each day of the competition.

The t-shirts are our Thursday and Friday shirts and our polo's are for Saturday our competition day.

Please return with your payment made out to:

The shirts are based on our order of (2) t-shirts and (1) polo for each student.
